Charmaine's Corner

Thank you to all of you that managed to make it to our picnic last Thursday evening. We realise that the year has become busy already, so appreciate your time. It was great to see some new faces as well as some regulars, and to be able to mix and mingle.

A real highlight for us was being able to see students and adults alike showing one of our new school values of 'Connectedness'.

Connectedness means "a feeling of belonging to or having affinity with a particular person or group". It's also about our students feeling that they belong to our place (the school), our community and the wider world. We really want our School to be a hub within our community, and a place where students and whanau feel they both belong and are valued.

On Tuesday there was a Junior Fun morning. Mrs Howe, Nycki and Olivia set it up for room 3, 4 and 5.

The three activities were fun in the pool, sports, and play-based learning.

In the pool, we had to swim and grab the balls and put them in the bucket. We also had free time. It was a bit cold but once we got moving, it was fine.

In sports, we played Toilet Tag and Rob The Nest in the hall. It was funny pretending to flush the toilet and we were all puffed out getting the tennis balls.

In Room 4, there was lots of different things that we could do like, trains, dinosaurs, arts and crafts, colouring in, K'Nex, words searches and dot-to-dots. It was fun being able to choose. It was a fantastic morning.

Thank you to the people from

Lots of fun at the School Picnic

Please remember that if you have questions or concerns about your child's learning or classroom programme to be proactive and make sure you get in touch with their teacher directly. So many misconceptions/worries can be alleviated by having a conversation. It also stops the rumour mill turning and problems getting bigger than they are.

Swimming Sports

Congratulations to those that swam at the Featherston Cluster and South Wairarapa Swimming Sports. A special 'high five' to Maia, DJ, Addi, Astin and Billy for making into the Wairarapa Champs.

Congratulations to Jack L, Rory, Laython, Charlie, Max, Taite, Ben and Bonnie for being chosen for showing 'confidence' in something they have done at school.

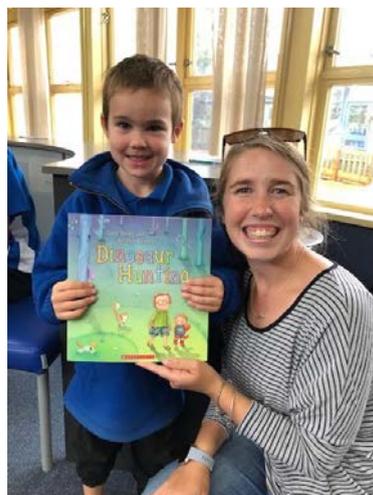

Rata winning the weekly house points

Last week Year 5 and 6 netballers were lucky enough to train with Irene Van Dyke. She was teaching us the new 6 a side netball rules. She is tall, beautiful and lots of fun! I loved it how she signed my shirt, she has very lovely writing.

Welcome to Kahutara School.

Have you thought about becoming a Board Member for your School?

Come along to NZSTA's Kōrari Programme to find out about becoming a school trustee on a school board! We are holding a community hui at Kuranui College on 2 April 2019 at 6:00 pm in the lead up to this year's board of trustees' elections. At the hui you'll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on the board of trustees so far
- How is the board elected
- What help do school trustees get
- How does the board of trustees work
